Forwards a report with records & recommends that the pension of the deceased may be distributed among 3 claimants as indicated therein.

3. The petitioners were duly heard by the S.D.O. Doddaballapur. Tehera Begum who is one of the petitioners (cross-linked file E- D. No:- JE 106-25) was also heard. Her son Abdul Nazeed is recommended for a small share of Rs. 0-11-10. in the distribution proposed. In the last para of his letter Dy 9-8-1926, the S.D.O. says that the claim put forward by Tehera Begum is not tenable in full. In the distribution proposed by the D.C. the 3 claimants get different quota & not a uniform amount. The distribution has to be made with due regard to the superiority of their claims & the nearness of the applicants in relation to the deceased.

4 As questions of Mohamedan law are involved, L & L. Secy may be consulted. Subm:- for orders.

6 The following are the claimants to the Vacant pensions.

(1). Zaibunissa Khanum - daughter of the deceased.

(2). Mahammad Abdulla Khan - eldest son of the first son of the pensioner - (on behalf of his brothers & sisters minors)-

(3) Abdul Majeed Khan, by mother Zahra begum, who has applied in his behalf - grandson of the deceased in the 2nd male line -

(4). Habibullakhan - ~~brother~~ nephew of the deceased -

(5) Syed Ahamad, on behalf of himself and his cousin Hafiz Khadir, and

Abdul Jabbar Khan - all distant relatives.

The genealogical tree produced in the case is practically admitted as correct and there is no dispute about the facts of relationship of the claimants to the deceased -

7 The question is mainly one of application of law. The contention of the petitioners (4) & (5) that they must be given a share in either of the 2 pensions enjoyed by the deceased is wholly untenable as pointed out by the S.D.O.

8 His recommendation for the distribution of the pensions among the lineal descendants of the last holder in which is supported by the DC is in order and may be approved.
